BLAIR-NTS-01

Karen is a nymph, a total sexual tigress in the bedroom. She loves cock, craves it and can't never get enough of it. She dreams about it at night and spends her days looking for hot, young guys to fuck or playing with her collection of toys. The only cock she wasn't getting any action from was her boyfriend's. The 19 year old hadn't seen a problem with the start of their relationship, but now her bf just couldn't keep up with her needs. It had been a few days since she had been banged hard and fast, so she decided to take matters into her own hands while her bf was away.

"DOES THIS LOOK LIKE A BODY THAT SHOULD BE NEGLECTED? MY BOYFRIEND DOES!"

J

Just as the horny vixen was slowly sliding her fingers into her warm, inviting pussy, her trainer walked in looking for her, ready to start their work out. Having just started her own exercise routine, the busty brunette wasn't going anywhere. And the trainer was going to help her work her favorite muscles. Her big boobs bouncing up and down like crazy and flying every which way, Karen rode his cock like an animal. The neglected girlfriend begged for it in every position until she could barely keep up with his thrusts. Her pussy was spasming and she was moaning and panting. This was the best exercise ever.

dani & elle

Elle was ready to start a new career. After quitting her job over a year ago, and with the support of her family, she went back to school to learn how to be a fashion designer. But it wasn't clothes she wanted to design, it was sexy underwear. She thought she could really bring something new to the market and make lots of money with her sexy, colorful designs. With graduation only a month away, she was determined to finish at the top of her class so she could get the award money, which would help make her dreams a reality.

"I CAN'T WAIT TO GET DANI OUT OF THESE CLOTHES BECAUSE I'M HORNY AS HELL."

t The only thing she could think of was to show off some of her fave undies to her bff Dani. And, more importantly, to show her how great all of her designs were for young bodies like theirs. Elle was most proud of how easily her undies could be taken off. The hot beauty pushed her invitingly firm booty up in the air and wiggled it slowly so Dani couldn't refuse an invitation like that. She was always quiet in class but the red-haired beauty was a wild animal when she got horny. Using all her pussy tricks, the vixen was working hard for extra credit. Her hot mouth made Dani cum, and then she returned all the favors.

THE ONE MANNY LEFT BEHIND

It was a quiet evening but eyes lit up when she walked into my club. She was delicious — tall, highlighted blonde hair, a bit tussled, wearing a tight waistcoat and tight fitting jeans with those fucking stupid rips in the knees. She was beautiful, big brown eyes, high cheekbones and a busty chest. She was also in her very early twenties. My kind of woman!

She walked into the bar and whispered something to Norma, my bar woman, the best cocktail mixer this side of the Rockies. Then she looked at me, the woman in the ripped jeans. She walked over, took off her jacket, slung it over the high-back bar stool and sat down.

As soon as she removed the jacket, there were a few gasps around the bar. See, she was wearing a shiny white satin slip style top, and it had gaps at the sides, and we could see these lovely big bumps of her breasts. Fuck, I thought I could even see the edge of one of her areolas.

She turns to me and smiles. “Hello, James,” she said, “My name’s Hannah, Manny sent me.” And she slipped me a piece of paper. I sipped on my bourbon and water and looked at it.

“James,” it started, “this place is too hot for me right now. I’m going down to South America for a while. Hannah won’t come with me. Would you like her to, you know, help pay my bar bill? Cheers, Manny.”

“Would you like a drink?” I asked, and she nodded, “Scotch on the rocks, please” she said. I sneaked signal to Norma.

“Manny says you can help pay my bar bill, Hannah,” I smiled as we waited for Hannah to supply the scotch. “Any idea how much that runs to?”

Hannah looked at me evenly. “It’s about $2,000,” she said, and I realized she was English, uppercut accent, too. “And any idea how you’re going to pay it?” I asked.

I'VE NEVER HAD A DEBT REPAID LIKE THIS ONE

Norma placed the scotch over ice in front of her, and when she was out of hearing range, Hannah leaned forward towards me so I could see the swell of her breasts. “I suck cock, along with some other things, James,” she smiled.

“You could do that for Manny and South America?” I ventured.

“Fuck South America,” she said, flatly. “It’s full of Manny.”

“I’ve never set eyes on you before,” I said. “I know that because I would have remembered.”

“Manny didn’t flaunt me in public as much as the others because I’m pretty quiet.” she said. “But I’m like most of his women, I’m just not the show off kind. Be quiet, always look good, and always be available.”

I looked at the sides of her breasts showing at the gaps in her white slip. ‘You could have fooled me,’ I said but only to myself.

“I never buy anything without testing it out first, Hannah,” I said, draining my bourbon. “There’s a small apartment upstairs. Want to come up there with me?”

She sucked down her scotch. “Well, at least it’s not South America,” she said, and I watched as she put on her jacket. A lot of men in the bar groaned in disappointment.

Upstairs, she shucked off the jacket and the slip top too. Fuck, they’d have raised the roof down in the bar! Her hooters were magnificent — large, but not massive, and superbly shaped, with lovely, hard, half-dollar sized nipples. They might have surgically been enhanced, but great to look at! I couldn’t wait to get at them. But first she wanted to prove to me that she was about cocksucking wasn’t just talk.

She knelt in front of me and soon had my eight inch hard on out and kissed it gently, then licked it, and finally she sucked it. She was right she knew how to suck cock. She was a deep throater almost going down to the base of my boner. She was sucking for only a minute and I almost came in her mouth there and then.

But I had designs on her puppies, like I said, so after she’d shown me she wasn’t just all talk when it came to itemizing her sexual prowess, I stripped out of my shirt, and pulled her up. Her mouth found mine and as we explored each other’s tonsils, I unbelted her ripped jeans and pushed them down. She wasn’t wearing panties, and she was real smooth down there.

I carried her into the bedroom and made a short pass at her pussy, licking her lovely labia, big, but like her boobs, not too large. And then she was ready for me. Fuck, she’d probably been ready when she walked into the club, so I raised myself and pushed deep into her pussy with my big boy of hot turgid meat.

Then I pulled back and pressed my erection between her pussy lips and slid my

cock up and down, leaving snail trails of pre-come on her firm fantastic flesh. Like I had expected, she was a great fuck.

She was so good that I know I was getting fucking close to my release point. She picked up on that and smiled, “I don’t just suck, James. I also swallow!”

I grinned. “Wow, you’d probably go down well in South-fucking-America,” I joked, and she laughed. “Fuck, all I want to do right now, James, is go down well on you.” How could Manny leave this girl behind?

And she swallowed my load, sucking me down expertly. After we laid back and rested a bit, I asked her, “And tell me, Hannah, how many fucks like that will square Manny off with me, you reckon?”

“Fuck, I don’t know,” she said. “Anyway it wasn’t Manny’s idea. It was mine.”

I raised an eyebrow? “Yours?”

She grinned as she stroked my now limp cock, “Hell yes, Manny had ragged on about how great a guy you were and how much he owed you. And I said ‘You are going to pay him back before you leave, aren’t you?’ And he said ‘Fuck him.’ That’s why I decided to take care of it.”

I don’t know about you, but that really made me hard. So we fucked again. Hannah works for me now. She learning to become a manager for me.

And of course, she is still paying off Manny’s tab!

madelyn

Moving back home to live with her parents after college with no work and no place to go wasn't exactly Madelyn's dream situation. Living back at home was the last thing she wanted, but there seem to be no other option. Until she found a steady income, she would be stuck under their roof. She was thankful, but she wanted her own place. Somewhere where she could do what, and who she wanted, whenever she wanted. The other day her dad's best friend showed up at the house early for a meeting, the two men had scheduled. A mistake? Her dad wasn't home.

> "THIS GUY'S COCK BETTER BE WORTH SUCKING CAUSE HE'S MAKING ME MISS PORN!"

She could only think of one thing, how much she wanted him to pump her pussy sore right there and then. They were home alone so who was to know? Madelyn knew he was married, but who could resist perky boobies and a tight kitty like hers. One look at her dripping young slit and one feel of those young eager lips across his dick and the guy melted. Her pussy really needed a big strong cock working it hard. The horny student needed it bad. She begged her fuck toys to never stop. She was shaking with pleasure, her pussy was spasming and all she could do was whisper for the guy to fuck her faster and harder.

franziska

Franziscka is young, fit and a total firecracker when she's in front of the camera. She was feeling horny as hell and her hands and pussy were already in the mood by the time the photographer's assistant had set up. Putting her body on the couch into the pose requested, the tiny blonde dropped her clothes one by one. Her breasts were so cute and her butt smooth and tight. Her little pink pussy had the sexiest look and smell. While she was playing it up for the camera, cooing and moaning as she pulled out her little pink toy and began to pleasure herself with it, and she's not doing it just for the camera.

> "I'M HERE TODAY SHOWING YOU MY STUFF SO YOU CAN MAKE ME HAPPY BY CUMMING."

taking a break so the lights can be reset, Franziska backs herself into the corner of the sofa and continues to play with herself. Apparently she wants to get that vibe as wet as possible. Ready again, the photographer asks her to get on her knees and push that sweet little butt into the air. Immediately she does and in goes the vibe once again. The crew had positioned themselves all around to get good views of the action. Her sweet face contorts in pleasure and joy as the sensations build up within, and minutes later she cums all over her toy. She slowly pulls it out, teasing the crew, and they applaud!

stacy didn't want to be married. She was 18, and had the sex drive of a wild woman. No man could keep up with her, and one man definitely wasn't enough to satisfy her needy pussy. But her wealthy parents didn't want her to get herself into trouble and ruin her reputation, so they set her up. Soon after her 18th birthday, Stacy's parents gave her a choice: she could marry the older man who was rich, or they would disown her, leaving her with nothing. She couldn't even think what it would be like to have nothing, so she reluctantly agreed to get married. After she did she found that her husband wasn't all that bad.

"DON'T LET MY INNOCENT LOOKS FOOL YOU, I'M ALWAYS HOT AND HORNY FOR COCK!"

But he wasn't adventurous enough for her. The young vixen knew she couldn't deny herself anymore. She was faithful for four months and would go crazy if she stayed faithful any longer. The next morning, a hunky repair man knocked at her door. He was there to fix her air-conditioner and had no idea it was she who broke it. Before he even had his tools out, the little vixen was rolling around on the bed showing off her yummy goods. He found her so tight, every pump of her pussy made the stranger scream. No matter how many positions they did , her pussy needed more. It wasn't letting go of the hard cock until the afternoon was over.

THE CROWD WAS TURNED ON BUT I WAS TURNED ON EVEN MORE

I picked her up at nine. She was ready and looked the part. We were off to a music festival, the last of the summer. College started in three weeks so we were ready for a big blowout. I drove and we got to the venue about ten that night. When we arrived, it was a rolling sea of humanity, the stadium shaking with the crowd and thunderous music.

Magnolia and I with about 10,000 other jumping, screaming, seeing people strained to see the stage. The band was some alternative rock trio, warming up to the main act, and everyone was warm — steaming hot, in fact. Magnolia was into the music so deep, I hardly recognized her, hopping around and shaking her head throwing her arms all over the place.

I was standing right behind her, jammed up against her. **The girl's long hair smacked** my face, the backs of her hands smacking into me, her butt and body sliding up and down my front side. I was sporting a hummer to show for her efforts, not that anyone cared or noticed.

And as Magnolia gyrated her burning body against me, I got a righteously dirty idea about how I could really get off on the music. My girlfriend was wearing a tube top and pair of shorty shorts. I grabbed onto her like I needed support, rocked by the people around us – grabbing onto her big awesome boobs.

She hardly took notice, jumping up and down like a mad woman. I gripped and squeezed her boobs, pressing my erection into the warm cleavage formed by her fleshy butt cheeks and the stretching material of her shorts. People jammed in from all sides, and I jammed into luscious Magnolia's backside.

Her booty shimmered and shuddered against my pulsating cock. Her boobs jumping in my sweaty hands. I started jumping around with her, rubbing my friend into her twin mounded backside. She glanced back at me and grinned, her face shining with droplets of sensual perspiration.

THE CROWD WAS LOUD AND IT HELPED MUFFLE HER MOANS AND GROANS

I got bolder, holding my hands on the girl's bouncing chest and levering them in between my cock and her ass. I pulled my zipper down and reached in to pull it out of my jeans. It was as hot and throbbing as everything else as the sounds of music drenched and rocked the stadium.

Then I wedged my fingers into the back of Magnolia's shorts and pull them partially down. Her plump butt cheeks plop out into the open right up against my hard on. I slammed it in between her bare cheeks, sneaking my cock into her soft butt cleavage, and pumping. She let out a squeal and rattled her head and her butt back and forth, as the lead singer up on stage incoherently shouted into the microphone.

I re-wrapped my arms around Magnolia, only this time I pushed my mitts right up under her top and grabbed onto her bare tits. Fuck, they felt good! Like my cock in her butt cheeks. I squeezed them, right there and rolled her rigid nipples between my fingers with my other hand

The decibel level hit almost 200, the crowd roaring as the shirtless drummer beat his skins like they were on fire. I pumped Magnolia's butt cleavage to the rhythm to her frenzied jumping, hanging onto her boobs and pinching those nipples until she squealed. Sweat poured off my face and body, my cock felt like a length of steel between Magnolia's ass bumps.

The music and my ardor got harder and faster mauling her boobs, both of us getting closed in on and getting jostled on all sides. I'm not sure she even fully realize what was happening, or fully cared. But my bouncing sack was boiling over, the impromptu public booty rubbing and titty groping driving me wilder than the long-haired freaks up on stage.

"Fuck, yeah!" I grabbed Magnolia tighter, clutching her tight to my burning body. And then I really went with the music, carried away by the passion. I dropped the hand off her boob and down onto my dick, pulled it out of the girls ass cleavage and pointed it at her slit. I probe her kitty with my cock, finding her gash, just as wet and juicy as the rest of her – finally find-

ing her wet opening.

THE CROWD WAS GOING HOME BUT WERE GOING TO CUM AGAIN

I speared my cock into Magnolia's pussy, driving fast and hard, as the music, upped its tempo. She kept right on bouncing around, her spasming fuck muscles sucking on my cock, the girl not even aware in the frenzy.

No one else noticed, either, too busy yelling and screaming and singing, surging up and down in the sea of humanity, but I know this and so did my cock. I squeezed the crazy girl's boobs and pumped her slit, thrusting my hips to the frenzied beat of the music, pounding in my cock like the lead guitarist was pounding out the cords.

It was a crazy trip, totally wild. Magnolia jumped around on the end of my shunting dick, fucking herself as much as I was fucking her. I buried my face in her sweet smelling hair and fucked her pussy and pinched her still hard nipples.

My hips pumped fast, my hands gripping and crushing her boobs. Then I jerk, jolted by fiery orgasm. Jizz jetted out of my stiff cock up into Magnolia's love tunnel, filling the oblivious girl to overflowing. I sounded off harder and louder than anyone.

When the song was over and I was drained, I calmed down a bit. Magnolia looked back at me. "You really got off on that one, didn't you?" she said smiling. I nodded, blinking stars out of my eyes, sliding my cock out of her pussy.

Magnolia turned to me, wrapped one arm around my neck and gave me a big sloppy kiss. With her other arm, she reached down and grabbed my cock just as she stuck her tongue deep into my mouth. I returned the kiss and let her squeeze my cock before sticking it back in my pants.

It would take two more songs and the shirt off my back to get us separated and cleaned up a bit. Not that anyone noticed. The concert ended and everyone headed out. She grabbed my hand and started pulling me and running for the exit.

Looking back at me, I heard her say she was going to fuck my brains out, but I think I left them there in the arena. Anyway, I didn't need them to fuck her silly.

gracie & Karina

Gracie didn't look it but she is a total tomboy. She likes sports, drinking beer, and hanging out with the crew at the local sports bar. And when you're as smoking hot as she is, there is never a shortage of people hitting on her. She had been a cheerleader in college and she married her college sweetheart, one of the guys from the football team. When he was drafted to play pro, everyone was excited. At first. The idea of having the freedom to stay at home and be a loving wife to a football superstar was amazing. And then it got boring. He was always away.

> "WE WERE NEVER THIS WAY IN COLLEGE, SO TIME TO CATCH UP ON OUR LADY LUST."

Gracie was happy to have good friends like Karina nearby and willing to listen to her complain. The lonely hottie blonde was most thankful for her oldest college friend and roommate. She was always there to listen and after a few drinks, Gracie decided it was time to thank her. Her old roommate couldn't believe it when she was dragged into bed, the one she shared with her husband, and pounced on her pussy. Both pussies were on fire and it took a full weekend to put it out. Now both girls are was hooked on each other.
